What data do we collect?

Our Company collects data from you when you register online or place an order for any of our products or services. We also collect data when you voluntarily complete a customer survey or provide feedback on any of our message boards or via email. Your website usage information is collected using cookies.

How will we use your data?

Our Company collects your data to process your order, manage your account and, if you agree, to email you with special offers on other products and services we think you might like.

Our Company uses the data it collected from your visits to its website to personalize the Our Company website for you according to your preferences.

If you agree, Our Company will share your data with our partner companies so that they may offer you their products and services.

Our Company PLC will not share your data for marketing purposes with any company outside the Our Company Group.

When Our Company processes your order, it may send your data to, and also use the resulting information from, credit reference agencies to prevent fraudulent purchases.

Marketing

Our Company would like to send you information about products and services of ours that we think you might like, as well as those of our partner companies. If you have agreed to receive marketing, you may always opt out at a later date.

You have a right at any time to stop Our Company from contacting you for marketing purposes or giving your data to other members of the Our Company Group.

If you no longer wish to be contacted for marketing purposes, please click [here](#).

Accessing to your data and making corrections

You have the right to request a copy of the data that Our Company holds about you. If you would like a copy of some or all of your personal data, please email or write to us at the following address. Our Company may charge a small fee for this service.

Our Company wants to make sure that your personal data is accurate and up to date. You may ask us to correct or remove data you think is inaccurate.

Cookies

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. This information is then used to track visitor activity on our website and to compile statistical reports on website activity.
